

CMRTA

California Municipal Revenue & Tax Association

Lighthouse Award for Excellence

The Lighthouse Award was established in 2003 by CMRTA to recognize outstanding achievements by staff of CMRTA member cities*. Candidates for the award have made unique contributions to their organizations that benefit businesses, community, CMRTA members, or their City as a whole. The contributions have resulted in lower costs, increased revenue, or more effective delivery of services to their customers.

The purpose of the CMRTA Lighthouse Award for Excellence program is to recognize and promote the outstanding efforts and innovative solutions by a Local Government Revenue Professional in areas of:

1. A significant increase in revenues for the City as a result of a special project, amnesty, audit, or effort made by that organization.
2. New technological enhancement that made the City more efficient and resulted in cost savings.
3. Developing or creating an ordinance, regulation or making legislative changes that is unique in its approach or design and that made a significant impact on the City and the Community.

The contribution must be recognized as a benefit to the Association as a whole or in part. It should be a new concept that can be used as a learning tool for other CMRTA members.

* "Cities" includes all cities, city/counties, and State or Federal agencies.
